Grandview Chamber of Commerce Car Show Definitions

Classic Hot Rod: A vehicle that doesn't have a lot of chrome on it. It most likely will have primer paint on the exterior, no special wheels (maybe steel wheels with chrome lug nuts), possibly a raccoon tail on the antenna, and plain looking tires that are stock (or close to stock) in width.

Import: A vehicle manufactured by an entity located outside of the U.S.A. A vehicle that is NOT built by Ford, General Motors, Chrysler (Mopar), or American Motors automobile companies (or one of their subsidiaries).

Stock: A vehicle which contains a majority of stock parts, that is painted a stock color, that has an interior that is basically stock, but may include an engine upgrade from the same manufacturer that built the vehicle and also may include wheels that are not stock.

Modified: A vehicle which has been modified to the extent that a large number of stock parts have been removed, such as a blower added to the motor, a motor which includes a lot of chrome parts that are not stock or that has been heavily modified in other ways, and/or a vehicle that has a custom paint job, etc.

Vehicle Classifications to be Judged For Three Trophies and Twenty Two Plaques!!!
